Attends half the practices scheduled	Has to play at least one quarter of the game
Attends zero practices scheduled	Has to play at least five minutes of the game

U. TWO - DEEP LEADERSHIP: The Basketball program, like all Tempe youth leagues, lives and dies on the strength of its volunteer coaches. The participants and parents know that without volunteer coach's time and effort they wouldn't be able to practice and play games. But in today's complex society, just donating time and effort isn't enough. Everyone must also be aware that relationships between youth and adults aren't as simple and easy as they once were. Years ago, coaches could show physical affection for their players. Now a coach can't be physical at all. **Affection must be verbal.** It was once acceptable for an adult coach to be alone with youth participants, but now that condition has changed. The recreation staff is recommending "two-deep leadership" at all practices or team gatherings. The Boy Scouts have used this method successfully. This means two adults in attendance all times.

To accomplish Two Deep Leadership coaches are asked:

1. Find an assistant coach and have that coach at each practice.
2. Nominate a "Team Parent" and have him or her assign an adult parent to be at each practice.
3. Call another coach in your league and hold a dual practice. Coaches are asked not to coach by themselves. If no one else is available they should cancel practice and immediately notify the parents. If you do cancel or end a practice early, remember that you cannot leave your players unattended. Every player must have a safe way home and be accounted for. If practice ends and a parent hasn't shown to pick up one of your players, an adult parent and coach must wait until the player has a ride and is accounted for. Do not abandon your players.

V. BACKGROUND CHECK: For the safety and protection of the youth program participants, the Community Services Department will conduct a background check on all volunteer coaches. Part of the process includes finger printing every volunteer coach once every year. The results of the background check will be held in the strictest confidence.
